The Motts Run Nature Center was opened in 2004. It houses our nature exhibits and hosts many nature programs.

Three new fishing piers are handicapped accessible to serve everyone in our community.

MOTTS RUN RESERVOIR

IS GETTING
SOME IMPROVEMENTS...

More than 2,000 citizens of Fredericksburg and surrounding counties visited Motts Reservoir in 2005. We are seeking to improve their quality of visit with:

- additional parking
- installation of running water
- permanent restroom facilities

Due to recent budget cuts, the City of Fredericksburg is unable to fund our requested major improvements to Motts Run Reservoir. We believe that these are worthwhile projects and are raising money to pay for these improvements.

If you can help, please make your tax-deductible donation check payable to "**Motts Reservoir Improvements.**"

If you can help in some other manner, please call (540) 372-1086 ext. 203. Or email us at: fredprpf@fredericksburgva.gov.
